BLOOMIN' T-SHIRT

You've seen them and wondered how you make them... and now you have the opportunity to find out! On the 16th, **Emma Chung** will be guiding us. Bring a prewashed t-shirt and a piece of 15" x 20" contrasting fabric, water soluble pen, chalk marker or felt tip Frixion pens. (Ball point Frixion pens will not work on stretchy fabric.) Also bring sharp point scissors and thread to match your t-shirt.

MEET THE MACHINES

Meet the Machines? Sewing Machines, of course! If you would like a demo on the sewing machine to give you more comfort when you sit down at one of our machines this little lesson will be just what you are looking for. Sewing machines have made technological advances like everything else in our daily life and if you have a machine older than the 1990's there are some basics that are a bit different and some features that will delight you. Join **Sharon Kleven** on May23 to meet the machines.
