## PILLOWCASE WORKSHOP

After learning of the good works volunteers do for the students at San Pasquale Academy, I'm sure we will have a good turnout for the Pillowcase Workshop on June 20 from 9:30 am to noon. **Sharron Seidenberg** is asking for your help and assures you that the students will be most appreciative. The Sewing Room and the Men's Club will be set up for our use. Please bring scissors, pins, an iron (if you can), fabric, and your sewing machine. If you bring fabric from your STASH, it needs to be at least a YARD in measurement. It needs to be washed as well. Sharron also has kits available for you to work on. A reminder - Please wear your NAME TAGS.

## TRAIN BAGS

**Kathy Moskovitz** will be leading the Train Bag workshop on June 27 from 9:30 am to noon in the Sewing Club Room. No supplies are needed, just helpers. The Train Bags are being made for the trains Goldie Weis makes for the Pendleton Christmas Toy Drive. Kathy will have everything ready for us to be an "assembly line", as we need about 50 bags.

## WEARABLE ARTS

**Pam Bechill** has a few suggestions for the workshop in July. One of the needs listed for the students at the San Pasquale Academy is pajamas bottoms. Pam has a source for patterns if there is interest from the Sewing Club members. Also, she has is wondering if there might be an interest in making summer Mumu's. Respond to Pam at [pbechill65@gmail.com](mailto:pbechill65@gmail.com) or at the June General Meeting.

## HEADS UP

Our President, **Chris Sanderson**, wants to remind the membership that the **July, General Meeting**, is cancelled because of the Independence Day Holiday. Our regular meeting will resume August 1<sup>st</sup>.
