### A ROYAL MESSAGE

Queen, **Marcia Bruce**, has a reminder. You have one more month to complete your challenge project for the Year of the Dog challenge! Remember, you can use any medium; cloth, yarn, beads, glass, wood, metal, or whatever combination you decide! Yes, the Year of the Dog goes until February, 2019 - but you and I know we can't remember that long, so for our purposes, our challenge is over in August. At the JULY meeting, we will decide if the projects will come in at the August meeting, or at the August luncheon.

### MORE KNITTING NEWS

**MaryLu Belisle**, is conducting an informal knitting class for beginners and those who would like a refresher. Come to the Sewing Room on Tuesdays, beginning July 10, at 3:00 and bring your "tool kit". Here is a starter list: 10" long straight needles, either size 8 or 10 (bamboo or plastic are the easiest for beginners), Stitch markers, Row counters, Point Protectors for your needles, Gauge, Scissors, Yarn/darning needles, Small measuring tape, something to put your supplies in. For the class, you can purchase an inexpensive skein of worsted weight yarn. If you just want a refresher or have questions, etc., please feel free to join us. More info? Email Marylu at [mlubelisle@icloud.com](mailto:mlubelisle@icloud.com)

### WE'RE GOING TO THE DOGS!

**Chris Sanderson**, our Party Planner, announces our luncheon theme this year. In recognition of the Year of the Dog, the Sewing Club is "Going to the Dogs!" On August 30 we will be enjoying a delicious potluck (might want to bring a doggie bag). We don't care if it's raining cats and dogs as we'll be in the Mykonos room. Our guest speaker will be from Kennel Comforters - a group of volunteers who make cozy beds to supply our various animal shelters. They work like dogs and get dog tired. Other fun activities have not been finalized. Sign up by August 23 or you'll be in the dog house. List is in the Sewing Room.
