### TRAIN BAGS

**Kathy Moskovitz** will be leading the Train Bag workshop on July 18 from 9:30 am to noon in the Sewing Club Room. No supplies are needed, just helpers. This is a repeat of last month's workshop to see if we are able to reach the 50 bags needed.

### WEARABLE ARTS

**Pam Bechill** will be presenting patterns and ideas for two projects mentioned last month. She has patterns for the p.j.'s for the teens at San Pasquale and a pattern for a summer Mumu. If you have fabric for the p.j.'s from your stash it would be appreciated. Meeting July 27 at 9:30.

### DECONSTRUCTING JEANS

So you have an old pair of jeans that are crying to be up cycled. How do you take them apart in order to have the most useable fabric? We have just the workshop for you. **Kathy Moskovitz** and **La Vergne Brown** will be guiding you through the process on July 25 beginning at 9:30 in the Sewing Club Room. Supplies: a pair of jeans, 32" waist or larger, large scissors, seam ripper. If you are interested in making a jeans tote bag we will have measurements for that project.

### CHRISTMAS STOCKINGS and PILLOWCASES

**Marcia Bruce** thanks the dedicated sewists for their overwhelming support of the Christmas Stocking project and has a reminder that any stockings that are still in progress are due at the August meeting. **Sharron Seidenberg** would like to remind members that the Pillowcases are an ongoing endeavor. She has lots of kits to be stitched and need your help, one and all. Call Sharron, 760-726-2282 for kits and they will also be available at the August meeting.

### SAVE THE DATE

Our next luncheon is scheduled for August 29, in the Mykonos Room beginning at 11:00 a.m. **Karen Lohr** is planning to have the luncheon catered. More details to follow at a later date.
