WELCOME COFFEE

Our annual New and Returning Member's Coffee will take place at our General Meeting, Thursday, February 1, in the Ladies Clubroom. Please note our new time, 9:15 am, for this session only. We are looking forward to meeting our new members and ask that if possible they would bring an item that they have created to share. We are also reminding our returning members to bring their challenge items to share.

CHRISTMAS STOCKINGS

February 15th and 22nd, from 9:00 am until noon, we will have workshops to get started on the Christmas stockings for Camp Pendleton. We will have partial kits of fabric and patterns ready to hand out. If you have made the stockings before, you know how magic the technique is. If you have not used this technique before, do come to at least one of the workshops and see for yourself what fun it is. There is one change in the directions - how to attach the hanging tab. The new directions are printed on legal size paper. Can't stay for a workshop? Do stop by and pick up your copy of the new directions. As before, there will be step-by-step samples on the back design wall in the Sewing Room. Check it out if you get stuck. C U at the workshop. Questions? **Marcia Bruce 760-726-9334.**

WEARABLE ARTS

This special sub-group is open to all interested members of Sewing, Etc. As we are beginning a new year it was decided that we would experiment with various dyeing techniques to record the process in anticipation of our Silk Scarf dyeing project. We will attempt microwave dyeing, ice dyeing, and other methods on Saturday, February 24, at 9:30 am. in the Craft Room All materials will be supplied.
