JEAN/MESH TOTE

Well, you've seen them. Do you have one? Here's an opportunity to make one for yourself! **Kathy Moskovitz** will be guiding us in the construction of one of these useful totes. They're great for all your errands and groceries. And look good too.

Materials to bring: a pair of old jeans (the larger the better), pet screening/mesh 21x32 any color, for strap: 3 yards belting material, 1 yard double fold bias tape (coordinate color with mesh?) a 6x13 piece of cardboard and the fabric to cover it 7x30.

Optional: 4-22" lengths of decorative $\frac{3}{4}$ " ribbon

PRETTY AS A PUMPKIN

At the moment I'm not feeling it... but fall IS in the air soon. And that means pumpkins! Please join **Sharon Kleven** at a workshop to create these lovely decorative pumpkins.

Materials to bring: $\frac{1}{4}$ yard or fat quarter of fabric in fall colors, Poly stuffing or batting scraps, plus matching thread and regular sewing supplies. She will bring the balance.

SUNSHINE

If you know of anyone with the need for a sunshine card, please call or email our Sunshine girl Bunny - 760-732-0711 or bjquint@cox.net
