Our November club meeting will be held on **November 5 at 9:30 AM on Zoom**. You will receive an email invitation to the meeting from Carolyn Kopper, on Wednesday before the Thursday meeting. ## New Members Spotlight

Karen Henschell - Karen has lived in Ocean Hills for 10 years or so. In the pre-Covid days, you probably saw her frequently at the Clubhouse. Her interests include torchwork with glass, sculpture, silversmithing and origami, among others. A very talented artist. Fortunately for us, the Art room is closed, and therefore the kiln is unavailable, making many of her regular activities undoable. When the need for masks arose, she bought a sewing machine thinking she might as well learn how to do it. And that's her spirit. She loves learning and creating. Since the mask projects, she's made a magazine holder, a purse and a hold-all bucket. She has more projects on the drawing board and is looking forward to the inspiration and fellowship of our club.

Nancy Hansen - Nancy moved in April from Lake Arrowhead. She's a retired teacher and has had a long love affair with quilting. She has relocated over the years of her retirement to stay close to her grand children, always hooking up with the local quilt guild. She enjoys the nice people and gets extra pleasure from philanthropic giving. She's a Road to California regular. Even has a 'Road jar' in her sewing room to accumulate savings for

the next convention's expenses. She's looking forward to playing golf when her back is feeling stronger and has been swimming, so she's been able to avail herself of some of our other activities here. Quilting is her main thing and even if the children move again, she might just stay here for a while. We hope so!

Happy  
Birthday!
