New Members Spotlight

Louise Peterson -

Louise has lived in California most of her life. Her most recent move was from Carlsbad. She has two daughters - one in Spokane and the other is here in Vista. For many years she worked for American Greetings - visiting different stores, setting up displays, seasonal decorating, etc. Now she's enjoying retirement. She's been sewing forever. Her most recent association was working with the group that makes the fleece animal beds for our animal shelters. She's looking forward to meeting everyone and getting involved in some other interesting pursuits. She's lived here one month, all the boxes are unpacked, welcome Louise...

Charlotte St.Laurent -

Charlotte grew up in Portland Oregon and began sewing with her mother at 6 years old. She was making all her own clothes through high school. Her first job was as a sample maker for White Stag ladies clothing. This was only the beginning of a long career of clothing product development, production and manufacturing - from baby clothes, to ski wear. One of her latest projects was making costumes for the local playhouse in New Hampshire for their production of Charlotte's Web. She just

loves to sew! And along with that she enjoys golf and her 1967 Mercury Cougar (owned since 1968). She's looking forward to meeting her kindred spirits in the Sewing Etc club. Did I mention her sister lives here too? Kathy Thornton. Welcome Charlotte...

And a Message from Marcia

The box of cradle quilts have been delivered to Holly Radziwon. Holly will be painting designs on the cradles which will coordinate with each respective cradle quilt. Excellent job on the cradle quilts, ladies! I'm excited to see that many of you are using the 'making-of-a-cradle-quilt' as an opportunity to explore new techniques and materials. Outstanding job! Many, many thanks for your creativity and diligence! Bravo!!
