4. **President's Report:** Marylu Belisle

President Belisle stated that pursuant to the Club Presidents' Meeting, the minutes should include the appointment of instructors and assistants for our classes. Marylu asked for a motion to let the meeting notice and schedules act as the appointment of instructors and assistants. It was moved by Karen Lohr and seconded by Cindy Coleman that, "The meeting notice and schedules will act as the appointment of instructors and assistants for classes." A question was asked: If a large table is needed, is notification required and would any injuries be covered by insurance? Marylu believed that the HOA general insurance policy would cover members but she will confirm with the HOA. The teacher's name and any assistants would need to be published in the schedule within five days of the class. The motion passes unanimously.

Upcoming classes:

Casserole Carrier, 6/15. An assistant is needed to help Emma for her class. Maryann Barbee volunteered to assist.
